Upwork (<https://www.upwork.com/>) is a cloud-based global freelance platform today of the day the most big the work seekers fund is considered He is a freelancer for own services who sells and high level prices offer which the market Various degree and directions according to many orders is given Talented , educated person own work show if possible it was through the internet income in finding never how problem it won't be . Sellers client with efficient linking website is only legal the work givers for work and the most good deals provide enable gives. To the service free of charge from the list transition can. It 's also easy calculation , applications with contact channels , easy and safe payments there is.

Freelancer - independent employee , self services to the company and one how many to customers one at the time present doer person in America 35 percent of those who work free is an employee . Freedom in former CIS countries popularity occupation is doing of the world desired out of place , even foreign from the company work opportunity more the Russians attraction does. However , free at work disadvantages there is of freelancers specialties from humanity technique level as different as . Forbes as a freelancer great career to create possible has been the most good 10 professional fields was :

- marketing ;
- business projects management ;
- Websites work output ;
- texts with work _
- Accounting account ;
- insurance ;
- education to give
- social in the field work _ networks ;
- graph design ;
- administrative help.

To the freelancer how by doing tax to pay amazing issue. On the one hand , them Hide for attractive prospect available , and secondly - a fine risk. Freelancer company for working person such as income takes. Same that's it thing - to tax pulling possible has been in the sense of . First , always customer with contract based on work need , there everyone thing to be determined need , secondly , to tax weight comfortable to be for you the IP you open or the declaration regularly and own on time your submission can.

Freelancer - income only to himself depends has been person. How much a lot you work more experience, great in projects work and more money to find opportunity. Of many the work in place to work stop stand up said to the idea As for work the right to pay for free the employee how by doing get possible about a lot there is doubt . Council a contract, based on works, to the customer the word believing submits - noble work , but always grateful not.

On the Internet free working employee as work requires integration. Successful expert to be for you try it need. Freedom is it work Portfolio get recommendations maintain professional relationships installation , customers search for yourself sell of a freelancer work : high quality at work , meetings in terms of .

Freelancing activities to the road to put possible has been occupations :
